Dear Virtual Table Captain,

Thank you for joining us for the 13th Annual Women's Champagne Brunch - Mimosas for Matches, Special Virtual Event! This is one of our most important fundraisers of the year, and we are grateful for your continued support.

This year we are excited to announce the 13th Annual Women's Champagne Brunch will be held virtually with a special Mimosas for Matches Virtual Event! Although it may look and feel different attending virtually, much will remain the same.

Our goal is to provide the perfect opportunity for you and your guests to become inspired, engaged and empowered to support, while enjoying mimosas, party favors, door prizes, a silent auction, a fashion show and more - all from the comfort of your home!

As a Virtual Table Captain, you are the key to the success of this fundraiser. By assembling your virtual table of 10; inviting your circle of friends, family, colleagues, and business contacts to support and learn more (all virtually) about the mission of Big Brothers Big Sisters - you are igniting the potential of our youth - making a significant difference in the lives of children, families, volunteers and our local communities.

As in years past, there is no fee to attend. However, this year we are asking each Table Captain to set a goal of raising \$750 or more - by asking each of your guests to make a personal gift of \$75 or raising it via the online giving site. All guests who give or raise \$75 or more will earn an entry to win the fabulous grand prize!

This packet serves as a resource for your Virtual Table Captain role. It includes important details about the event, helpful tips on how to be a Virtual Table Captain, information about our new, super easy online giving portal and more.

Again, thank you so much for serving as a Virtual Table Captain. Your participation and support will provide the foundation for a lifelong friendship... creating the perfect match for a Big and a Little.
