Big Brothers Big Sisters

2014 Annual Report

A Message from Our Executive Director

Past, Present, Future. Big Successes and Big Plans for a BIG Future!

It's hard to capture the past in only a few paragraphs. It was a year of change and growth and expansion, with some challenges and many successes. New opportunities for the children we

serve led to growth in matches served, volunteers serving as mentors and professional staff employed. Our location is new and our building is bigger, brighter and more efficient! In the midst of so much change, one thing remained constant: the remarkable power of mentoring to change lives for the better, forever.

2014 brought an outstanding year of gratification that comes from observing firsthand the tremendous impact our programs have on children in our communities. Throughout our 13-county service area, we matched and supported an astounding 2,019 children with caring adult mentors, hosted numerous match activities to deepen the lifelong friendships between matches and organized trademark events to communicate the urgent need for volunteers, generate awareness for our mission and raise much needed funds to support our services. Our progress in 2014 reflects the growth and dedication of the Agency, our Board of Directors and our staff – ultimately resulting in strong relationships that stand the test of time and forever impact the lives of the children and volunteers involved.

We also experienced program additions and enhancements. Our newest initiative, BIG Futures, builds on the foundation laid by our College Success Mentoring program by matching adolescent Littles with caring adult mentors to prepare them for the next step in their lives – whether it be college, career or military. The generosity of the Indiana Youth Institute, Lincoln Financial Foundation and the Chase Foundation has allowed this program to grow and strengthen.

Our Agency also shares a long and rich history with the Foellinger Foundation, an irreplaceable partner that has endowed us with not only financial support, but also with strategic thinking and growth opportunities to make our present and future shine as bright as our past. The Foellinger Foundation

and other ever-present partners have given Big Brothers Big Sisters the courage to dream BIG, take chances and refine the qualities that make an organization both great and sustainable. Our relationship with such benevolent partners is the primary reason our programs and services continue to grow, leading to the need for staff development and a larger facility. With help from Ambassador Enterprises, our Board of Directors and donors, Big Brothers Big Sisters of Northeast Indiana continues to build on its legacy of excellence and embrace new opportunities in its new home on Rudisill Boulevard.

At present, we are working hard to make these achievements sustainable in the long-run and continue to improve the quality and focus of our programs. Our mentoring relationships now extend beyond adolescence and lend guidance to our Littles as they make the transition into adulthood. Our staff has been strengthened by new, outstanding additions to our management team and we are working to increase staff retention and performance on all levels. We remain steadfast in our promise to use each donation – monetary, temporal or otherwise – as efficiently as possible to maximize their benefits on the children we serve.

For the future, we seek to be the best, most cost-effective agency in the country; we strive to advance our reputation as a leader in the development of innovative and effective mentoring programs; we plan to meet the growing needs of children in our service area. Our past achievements, present goals and future horizons are forever attributed to the immense support we receive from our volunteers and donors. We hope you, too, can grasp the sheer extent to which your contributions make our mission possible. On behalf of the Staff, Board of Directors and the 2,000+ children served, thank you for all that you do.

God Bless,

Josette Rider, Chief Executive Officer

2014 Board of Directors

A Message from Our Board President

What a year! 2014 was a year of record-setting performance and gratifying recognition.

As a volunteer, donor and supporter of Big Brothers Big Sisters of Northeast Indiana, YOU should take pride in being an integral part of something truly special – one of the very finest, most

successful agencies of the leading mentoring organization in the world! We continued our legacy of excellence as we created and served more matches than Agencies in Chicago, Cincinnati, Detroit and Indianapolis for a fraction of the cost!

This success translates into more and better professionally-guided mentoring programs for the young people in our service area. A record number of children were enrolled in our programs in 2014; we provided services and supported 2,019 site and community-based, one-to-one matches. That means more than 2000 of our community's most caring and altruistic individuals stepped up to make a measurable difference in the lives of children served through our programs. We thank YOU for being a part of this extraordinary group of individuals and for donating your valuable time, energy and talents to help a child

in need. Your Board of Directors is grateful for your service and is committed to making the most of your volunteer efforts by providing the best and most cost-effective mentoring programs in the nation.

With YOUR help, we have brought the Agency to the top-tier of the non-profit world. Our goal for 2015 is to become the acknowledged leader in creating and offering innovative mentoring programs while securing long-term stability in operations. Our programs will focus more and more upon improving educational and vocational outcomes for our Littles – particularly with the inception of BIG Futures program to prepare youth for the next step in college, career or military. We are planning for growth to address our still too long waiting list of children. And we are improving operational efficiency and securing long-term sources of funding. We are determined to create the best structure for YOU and the thousands of children you serve with your time, talent and treasure. YOU are making a BIG impact and helping to place our children on the path to success!

Doug Schenkel, 2014 Big Brothers Big Sisters Board President

Big Couple KT & Anita & Little Brother Skylar

Matched since 2014

Meet Big Couple KT & Anita and Little Brother Skylar. Matched since 2014, this trio loves to go to the park, swim, go to Science Central and go out to eat. According to KT & Anita, Little Brother Skylar is quite the musician and enjoys playing piano while at their house. The Big Couple also take a strong personal stake in Skylar's academic progress, and together they work to hone Skylar's reading and listening skills.

"I like spending time with KT and Anita," said Skylar. "They are nice, they take me to do fun things and they like it when I play piano!"

Big Sister Rosemary & Little Sister Hanna

Matched since 2014

Meet Big Sister Rosemary and Little Sister Hanna. Rosemary enrolled to become a Big Sister at the tender age of 92! Matched in the School Buddies program, Rosemary and Hanna hit it off right away. At their first meeting, Hannah even wrote Rosemary a note that said: "I love you." They have been meeting for lunch and hanging out once a week at school ever since!

Big Brother Dane & Little Brother Abraham

Matched since 2012

Meet Big Brother Dane & Little Brother Abraham. Originally matched in the Site-Based program, Dane and Abraham made the transition to a Community-Based match in October 2012 and have been fast friends ever since! The two get together once every 2-3 weeks and text each other between outings. While academics are a key point of focus during their outings, they also enjoy hitting the gym and talking about life.

"Abraham and I are like brothers – a pretty cool blend," said Dane. "I feel I can relate to Abraham's world."

MISSION

Our Mission is to provide children facing adversity with strong and enduring, professionally supported one to one relationships that will change their lives for the better, forever.

VISION

Our Vision is that all children have the opportunity to achieve their full potential: contributing to healthier families, brighter futures, and stronger communities.

PASSION

Our Passion is to see all children achieve success in life.

Big Brothers Big Sisters
